

WAKE Ministries is like any other ministry in that we rely on the support of our partners to accomplish the ministry and work that God has laid on our hearts. We are currently working to expand our monthly support so we have more sustainable funds to work with as we plan trips to Africa, start church planting projects, set up scholarship programs, and organize building projects in Togo. Funds given to WAKE Ministries will be used directly for ministry work as our current careers in education provide for all of our needs. If you feel led to help support WAKE Ministries please fill out the information below and return it to us. As a reminder, WAKE Ministries is a 501c3 non-profit organization so all of your donations are tax deductible. We deeply appreciate your support and prayers – we don't want to "go it alone" – and we will give God all the glory and praise for who He is, what He's done, and what He will do through us together!
